9. STATEMENT OF DUTIES:

I. General Statement of Purpose of the Contract:

USAID/Uganda is seeking qualified Ugandans for the position of Program Management Specialist (Private Sector/Partnership Development Unit)

The incumbent serves as Unit Leader for Private Sector/Partnership Development. The incumbent is USAID/Uganda’s senior advisor and expert on public-private partnerships and the development of Global Development Alliances, and heads a unit of three to four people. The Unit is located in USAID/Uganda’s Economic Growth (EG) Team, but serves the Mission’s entire private sector portfolio, including the EG, Democracy and Governance and Investing in People Portfolios. The incumbent is recognized by USAID/Uganda and USAID/Washington as the Mission’s leading expert in identifying partnership opportunities and developing and implementing strategies for effective outreach to private corporations and other potential alliance partners. S/he is the Mission’s foremost authority on networking and promoting USAID/Uganda to private corporations and other potential resource partners. The Unit oversees the full range of concepts, skills and best practices available to map partnership opportunities, manage relationships, and negotiate with potential resource partners. The incumbent is also the Mission’s senior advisor and manager of USAID’s Development Credit Authority, the Agency’s credit guarantee facility.
The incumbent provides strategic, technical and organizational leadership oversight in private sector development and finance within the Mission. S/he collaborates with all Mission staff in achieving the country team’s overall objectives and specific intermediate results. The incumbent is a key expert in developing new mission Private Sector, Alliances and Partnerships programs. In this, s/he is closely involved with Government of Uganda (GOU) officials, consultants, the private sector, other donors and stakeholders in the development and implementation of initiatives, writing requests for proposals (RFPs), Statements and Scopes of Work (SOW) and other procurement mechanisms consistent with (GOU) economic development initiatives and U.S. Country Development Cooperation Strategy (CDCS) goals.

The Unit Leader plays a key role in generating ideas and advises throughout the entire procurement process. The incumbent must have demonstrated experience leading/chairing diverse teams. This senior position ensures the Mission has the necessary management and technical expertise to successfully leverage substantial outside resources to expand and deepen the impact of the Mission’s large and technically diverse development portfolio. The incumbent also leads collaboration with other USAID projects, and other donors and organizations in the economic development sector to ensure synergy of private sector activities with those of other organizations.

**II. Statement of Duties to be Performed:**

1. **Strategic and technical leadership (20%)**

The incumbent is the Mission’s recognized expert in identifying private sector programming and public/private partnership opportunities. S/he develops and implements strategies for effective outreach to private corporations and other potential partners. Specific duties include:

A. Provides senior/high level technical advice to the Mission and to the President’s Investor’s Roundtable, the Uganda Commodities Exchange, the Uganda Securities Exchange, the banking sector and key Ministries on the strategic alignment of private sector and partnership efforts with key USAID/Uganda goals and objectives. S/he will be involved in strategic decision making, budget allocations, and project designs. S/he assist negotiates with GOU on project design and implementation, ensuring that host country officials at the highest level are apprised of program progress.

B. Develops relationships that may lead to future partnerships in key areas of priority to USAID/Uganda. Facilitates the conceptual development of new partnerships, reaches out to potential partners to identify areas where USAID priorities coincide with theirs; objectively assesses the commitment of potential partners; identifies due diligence issues; and communicates the Agency’s partnership building policies and processes to manage expectations accordingly. Develops and sustains close collaboration, professional relationships with senior GOU officials, key business leaders, other major donors, international organizations, leading economic development research institutes and other private and public sector contacts necessary to build strong, inclusive and sustainable alliances and partnerships.
C. Develops and implements a Mission-wide strategic approach to private sector programming and partnership development in collaboration with other USAID support offices and technical teams as appropriate.

D. Responsible for private sector and partnership contributions to the Mission's strategic planning and reporting as part of the Mission Strategic Resource Plan and Foreign Assistance Framework Operational Plan and Reporting Process (OP).

E. Represents USAID with stakeholders and external development partners in a wide variety of events sponsored by USAID implementing partners or working groups and forums such as the Private Sector Donor Group (PSDG) where USAID is affiliated. This includes conferences, workshops donor subgroup meetings, and other economic development fora. Actively engages in the Private Sector Donor Group and other committees to advise, comment and participate in strategic decisions affecting private sector programming in Uganda.

F. Serves as primary point of contact with Alliance Builders in other USAID missions and with USAID's Office of Development Partners in Washington to develop contacts and share information; serves as the Mission's POC for the Development Credit Authority (DCA) U.S. Treasury guarantee facility program.

G. Represents US Government in multilateral coordination efforts for private sector programming, including giving technical and strategic advice, and input.

H. Collects, analyzes and synthesizes information to inform and strategically guide program planning, including keeping the Mission and team abreast of current events in Uganda, EAC and COMESA that impact on mission goals or cooperation; Conducts consultations with stakeholders and track legislative, policy, regulatory reforms, competitiveness and *Doing Business* developments.

I. Provides strategic direction and technical input to key USAID governmental and non-governmental partners on their strategies, workplans and monitoring and evaluation as it relates to private sector engagement and development.

J. Represent the Economic Growth Office at appropriate Mission meetings with and/or in the absence of the Economic Growth Office – e.g. petroleum working group, interagency meetings, country team, Economic Growth Office Staff Meeting, USAID Senior Management, etc.

K. Provides leadership and may act as Feed the Future Coordinator in his/her absence.

L. Drafting talking points, assisting with high level visits (e.g. Congressional, political appointees, senior representatives from US Government), developing/updating briefing materials as it relates to private sector activities.

2. **Managing for Results** (30%)

The incumbent is the Mission's source of technical and organizational leadership on the design, implementation, monitoring and evaluation of private sector/partnership development
programs. S/he ensures that private sector and partnership activities achieve their intended results. The incumbent:

A. Analytically assesses the private sector/partnership portfolio, the performance of partners, the available budget, the need for additional activities or ending activities, and designs new projects or activities appropriate to achieve objectives including, but not limited to (i) *Feed the Future* (ii) *Power Africa* and (iii) *Trade Africa*.

B. Fully participates or takes the lead on each stage of project design for new activities, including drafting and getting approval for concept papers, writing scopes of work, evaluating applications/proposals, and starting up new projects.

C. Ensures that implementing partners for the private sector/partnership portfolio abide by their reporting requirements, including quarterly reports, trip reports, accruals, PMPs, annual reports, and other requirements such as reporting for the OP or other requests. This includes supportive supervision of other project managers in the Private Sector/Partnership Unit as necessary.

D. Participates in routine USAID/Uganda implementing partners meetings to discuss technical and programmatic direction of the USAID/Uganda and Economic Growth strategy.
